Superb Blue Wren

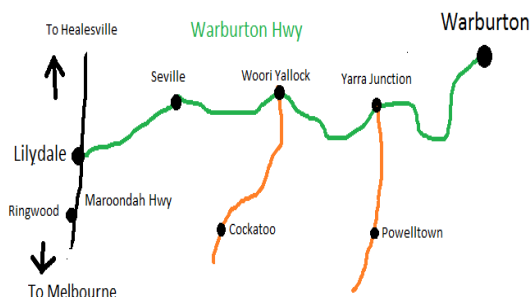

Warburton Vic 3799

Where are we?

Warburton Habitat Tree is located in the iconic Waterwheel Building in the historical township of **Warburton**, 72 km east of Melbourne. It is the furthestmost township along the **Yarra River**, lies down stream of the **Upper Yarra Reservoir** and is surrounded by a variety of unique ecosystems, conservation significant natural environments and heritage listed sites. With, a rich history of early settlement and an abundance of native flora and fauna, the **Yarra Ranges National Park** and the **Yarra State Forest** offer richly diverse locations for animal spotting, bird watching, research, education, bush walks and hiking. Our location also offers easy access to walking tracks, the Yarra River, coach parking, cafes and shops!

Melbourne Water - Yarra River

What do we do?

Warburton Habitat Tree offer

Melbourne Water Upper
Yarra Reservoir

unique Eco
Tour's that
are guided by passionate
and experienced
environmental educators.
Our guides can take you on
an exploration into pristine
and historical locations

within the Yarra Ranges National Park and the Yarra State Forest. Our enthusiasm for Victoria's native forests, wildlife and aquatic ecosystems will delight & inspire. We offer a range of tours to cater to different interests, fitness levels and tastes. You can choose to visit our Environment Discovery Centre, grab a guide for a half or full day Tour, or be chauffeured in style on a Private Tour. We also offer picnic lunches, a hot roast or an Aussie BBQ!

Private Eco Tours

Allow Warburton Habitat Tree to chauffeur you to beautiful locations within the Upper Yarra Valley. Sit back in comfort, enjoy and be inspired.

Tours are on request only and bookings are essential.

Environment Discovery Centre

This visual, interactive and informative Tour will delight all ages and is a must for those visiting Warburton. Meet the Environment Educators, have a chat, listen to some stories and learn

about the local forests and their inhabitants! Step into the **Indoor Forest** where you will find a life-like display of native taxidermy bird, reptile and mammal species under the forest canopy. Learn about the local wildlife and their habitats, threats, distribution, behaviours and development. Endangered species are very relevant with the Victorian bird and animal Emblems both Endangered and struggling in this region. Explore the **Nocturnal Niche** by torchlight to see what you can find in our forests at night. And lastly, be careful of the bats and spiders as you exit via the **Abandoned Mine Shaft!**

Minimum booking 12 persons \$5.00 entry
Groups >20 \$4.00 entry
Duration: 50 minutes
